I spoke to Nichole this morning. She will communicate to Testers office that we do not yet have a signed agreement but that we are close and will be sure to keep his office informed.

Please share the draft press release and communication strategy with me.

Hey Nichole:

We are hearing whispers that EPA and Glencore have reached an agreement on how to deal with a site in Columbia Falls, MT and that something will be released soon. As you likely know, Senator Tester has been very active in this space and I'm curious what, if anything, you can share.

Thanks in advance.
